

# The Big Bad Wolf

## Maths:

This term in maths our focus will continue to be on addition and subtraction. We will be learning how to add and subtract 2-digit numbers as well as what to do when we cross the tens barrier. We will be consolidating our knowledge of number bonds.

As well as this we be recognising, counting and comparing notes and coins.

## How you can help:

- Encourage your child to read with you at home and share stories together as a family.
- Help them to become resilient by challenging them to 'have a go' at new experiences.

## English

In English we will be learning how to sentence stack using lenses from the writing rainbow to help us.

We will be writing stories that involve the Big Bad Wolf.

(Little Red Riding Hood and the Three Little Pigs.)

We will be focusing on the consistent use of punctuation, learning how to use a range of conjunctions and making our writing sparkle by using a range of descriptive techniques.

## Topic

In our Geography lessons this term our focus will be geographical skills and field work. We will be learning simple compass directions and using location and direction language to describe routes on a map.

## PSHE and Wellbeing

In our PSHE this term our focus is Dreams and Goals. We will be learning to recognise and analyse our feelings when we succeed in our learning challenges. We will understand how we feel when we store our positive feelings and how they can help us in our future learning.

## Science

This term we will be carrying out simple tests to help us find out about the properties and the uses of everyday materials,

We will be identifying and comparing their different properties and seeing which materials is the right one to choose for a particular job, such as building a strong house or providing insulation.

## Art

Our art work will be linked to our theme of wolves. We will be using a range of materials to design and make pictures and models.

## P.E.

We will participate in daily physical challenges and being to understand that not only does this improve our physical wellbeing, but also our mental wellbeing.

Value: **Courage**

Learning Power: **Resilience/Tough Tortoise**

Persevering with tricky tasks, being absorbed in learning, managing distractions

Value: **Co-operation**

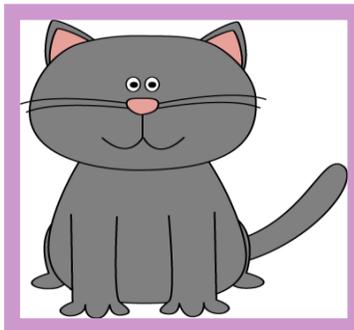

Learning Power: **Reciprocity/Team Bee**

Collaborating with others, empathy and listening, imitating/constructively adopting ideas

Value: **Curiosity**

Learning Power: **Resourcefulness /Curious Cat**

Asking questions, making links between learning, imagining, using resources

Value: **Confidence**

Learning Power: **Reflectiveness/Reflective Owl**

Planning what resources are needed and how to approach tasks, revising, reviewing and editing, distilling/learning from experience

### The Learning Pit

Learning should be challenging - it should make you think and take you out of your comfort zone. The Learning Pit encourages learners to take risks, use their learning powers and understand the power of perseverance. There is no "I can't" just "I can't yet.."
