

Dear Parents,

For May, the Hampshire School Games Organisers are running a four week programme of daily challenges linked to the sports played at the annual Hampshire School Games.

Each week, daily challenges from two sports will be released. For example, Football - Monday/Tuesday and Netball Wednesday/Thursday. With Friday a day for pupils to try beat their previous score in the week. The challenges are slightly different for KS1 and KS2 children.

The challenges will be emailed on Friday for the next week. The challenges include a record sheet so that children can take note of their score for the week. You do not need to print these record sheets, the scores can be emailed back to your teacher on the class email address. The first week challenges starting on Monday 4<sup>th</sup> May (including warm ups) can be found on our school website.

Hampshire school games will also be putting up tutorial videos on how pupils should do each challenge should there be any uncertainty. These get put on daily at 8am and can be found on their facebook/twitter pages - @HampshireSGO

They have also put together an intro launch video and this can be found on - [https://m.youtube.com/watch?feature=youtu.be&v=wsrP\\_sYhQD0](https://m.youtube.com/watch?feature=youtu.be&v=wsrP_sYhQD0)

Prizes and certificates will be awarded to children who have participated once everything gets back to normal.

### **Dance Challenge:**

For those pupils who are more creative, there will also be a 'Dance Challenge'. Pupils can enter this and it will run for the first 3 weeks in May; the winners will be used for the closing ceremony of Hampshire School Games. The Dance Challenge is separate to the other challenges. Pupils do not have to do the Dance Challenge if they are taking part in other challenges. Hampshire school games has just put this in place for those who love to dance/move and be creative.

Yours Sincerely,

Mr Thomas
