### Class Email Addresses

From April 20th, each class will have an email address.

We will still be using Marvellous Me to send messages and learning to you but, if you would like to contact your child's class teacher about the learning, you can do so using these email addresses. Emails received after 3pm will not be answered until the following day and it will not always be possible to give an immediate answer. Emails received at the weekend will be seen the next working day. Please note, queries about **anything other than home learning should be sent to:**

Dear Families

When the term started, never in a million years did I imagine this is how it would end. Our plans for Easter egg hunts and Easter bonnet parades will have to wait until next year but, in the meantime, I hope this message finds you all well.

It has been really lovely to see photos of the work your children have been doing at home and I think you all—grown ups and children alike—deserve a huge pat on the back. You're doing a fantastic job!

We're here to help as much as we can. Learning activities will continue to be sent home after the Easter break but please don't worry if anything is unclear. Email using the new class email address or [adminoffice@fernhill.kite.academy](mailto:adminoffice@fernhill.kite.academy) and we'll do our best to get back to you. Please don't forget: choosing to home educate your child is very different to the distance learning your child is now doing and we are not expecting you to replicate school at home.

Wishing you all well.

### *Be a Bucket Filler with Acts of Kindness*

Dear Children

Do you remember our assemblies about kindness? Remember the story about being a bucket filler and how, by filling other people's buckets with kind actions, we fill our own buckets too? You can watch the story again by clicking [here](#).

I'm setting you the challenge of filling the buckets of the people you live with. And, when you do, I hope your grown ups will let me or your teachers know so our buckets are filled too! If you need some ideas of how to fill a kindness bucket, there's lots on the next page. I'm looking forward to hearing about all the things you've done!

# Look What We've Done!

Well done Fernhill! You've been working hard while at home and its lovely to see all the effort you have put into your activities. What a brilliant bunch of Tough Tortoises, Reflective Owls, Curious Cats and Team Bee Superstars you are!
